## **Dedication**

To my wife Stephanie for her tireless work, whether at the reloading bench or hauling game from precarious ledges. To my daughter Riley, thanks for all of the hugs and kisses and help with autopsies.

Special thanks to David and Lisa Kelly and to my good friend Oscar Williams. And to my hunting buddy kelvin Brace, thank you so much for all of your help in the field. To Dan Keene, thank you so much for your help with both product and personal support.

To my friends and readers who have helped me so much with fieldwork, feedback, photos and ongoing support.

So many warm, kind and wonderful people. Thank you to you all.
